2.0 Welcome

Welcome to Vækstfabrikken Innovation House

The idea of Innovation House China-Denmark is to create an innovative and inspiring environment for all member companies where there is opportunity for active networking with each other.

We want to create an atmosphere of a communal spirit and enthusiasm to help each other develop innovations, knowledge and businesses – through international collaboration.

To help members of Innovation House as best possible, we have prepared a range of services we aim to offer our members. These services will mainly be facilitated through our digital platforms and may be delivered – digitally or physical as events, activities or personal advisory at any of our locations in the Nordics, China or Internationally.

Good networking require active participation and we invite our members to join in continued development of our service framework.

You are always welcome to contact the Innovation House member service by e-mail: service@china-denmark.com, if you have any questions.

Have fun and once again, welcome to Innovation House China-Denmark!

3.0 General Member Services

3.1 Membership structure

We are offering a range of membership levels which are designed to accommodate the requirements of different types of members.

Please contact [member service](#) or one of our advisors directly for advice and guidance.

Business membership

The Business membership is typically for the entrepreneur, or smaller expert organization with international aspirations. The business membership may be included in Office space agreements.(fixed spaces).

Premium membership

The right membership for the SME organization with ambitions and potential for international growth and collaborations. Include all services and individual advisor connected.

Enterprise membership

The membership for larger international organizations with requirement for international innovation collaborations, market expansions, investment and innovation search. The membership include a full range of services which will accelerate fulfillment of desired objectives.

Candidate membership

A personal membership for you who are seeking knowledge and opportunities. Include access to the general platform, Access to all individual related services and activity invitations, assignment match making, candidate profile for Job Exchange, network+event invitations & innovation academy.

Innovation House partnerships

For organizations who have expertise, experience and resource available – which are relevant and required for members to achieve their objectives, it is possible to enter a partnership agreement with Innovation House.

A partnership require the ability to deliver premium expert knowledge at pre-agreed terms & conditions. The validated offering will then be made available to the Innovation House members.

This will ensure that members receive premium, validated services at the best possible terms. This will save time and resource and secure optimum results.

The specifications of the membership content and service level will be under constant development and the main elements are described in the level specification.

4.0 General Communication

At Innovation House China-Denmark we aim for open, constructive and friendly dialogue. This means that, in the event of problems or disagreements, you should contact the relevant person and, in a constructive way, express your dissatisfaction and cooperate to find a solution.

Member services will ensure posted information, projects and assignments are presented in the best possible way and will be available to assist.

4.1 Joint activities/Events

The Innovation House will host and facilitate a range of events and activities. Some will be physical and others on-line. Members will receive invitations according to their membership level and are required to sign on / off as per requirements.

5.0 Payment & Notice

A membership is active and running from the day approved by membership services and payment have been received.

The subscription is automatically renewed for a 12 month period unless notice are given before the renewal date.
